

**INCOME GUIDELINES FOR PENNSYLVANIA WIC  
Effective Date: July 1, 2016**

Income eligibility standards are effective for certifying all new applicants, and for recertifying current participants at the time of their next certification on or after July 1, 2016. The expected number of babies is counted in the family size for WIC and Medical Assistance (MA).

Current income guidelines for Healthy Beginnings (HB) and Healthy Beginnings Plus (HBP) are also listed and WIC refers potentially eligible individuals to these programs.

\*WIC will only take into account the annual figure when calculating income and the monthly figure is just an approximate.
