Stores applying to become WIC Authorized are required to have all of the previously listed inventory.

(*) WIC Authorized stores may be granted an exception to stocking these items based on proven lack of WIC customer need. Excepted products specified on an eWIC card must be available within 48 hours.

Other standard formulas, kosher formulas, and alternative products specified on the eWIC card are not minimum inventory requirements. The store must be able to provide these within 72 hours after being presented with an eWIC card for that item.
